Theme: Closer to You

*Darling,' if you want me to be
Closer to you, get closer to me
Darlin,' if you want me to be
Closer to you, get closer to me
Darlin,' if you want me to love
Love only you, then love only me
See only you, then see only me*

*Darlin,' if you want me to be
Closer to you, get closer to me
Darlin,' if you want me to be
Closer to you get closer to me
Darlin,' if you want me to love
Love only you, then love only me
See only you, then see only me*

*There's a line, I can't cross over
It's no good for me and it's no good
for you
And there's a feelin' deep down
inside me
I can't explain it and you're
wondering why
You say we've been like strangers
But I'm not the others
You can wrap 'round your fingers*

*There was a time when I would come
running'
I'd drop everything for the touch of
your
Hand in Mine
You were blind and now you regret it
'Cause I can't forget it, it's locked in
my mind
And I can't go on livin'
Day to day wondering if you'll be
here tomorrow
People change and you're changin'
And I've given you my all
There's no more to borrow*
